**MEMORANDUM OF
UNDERSTANDING
(MOU)**

BETWEEN

**GOVERNMENT GIRLS POLYTECHNIC
CHARKHARI MAHOBA**

&

MECATREDZ TECHNOLOGY PVT. LTD

LUCKNOW

Agreement-

This agreement is entered into and executed on date 20-06-2024 for 3 year .

By and Between –

GGP CHARKHARI MAHOBA, a U.P. affiliated to Board of Technical Education ,U.P

And

Mecatredz Technology Pvt Ltd Lucknow , C-133/Sector-A Mahanagar Lucknow - 226006 .

Where as, All Indian Council for Technical Education, New Delhi (A Statutory body) has directed to initiate MOU with different industries to enhance the employability of students passing out from GGP CHARKHARI MAHOBA.

Where as GGP CHARKHARI MAHOBA, the first party is providing technical education of diploma in engineering (i.e CS/IT, EC & Other) and keen to enhance the employability of students passing out from the institute and make them job ready .

Where as, The Mecatredz Technology Pvt. Ltd, the second party , is manufacturer/service provider in the field of Computer Software and Product Development .

Where as, both the parties feel that real life work experience, if provided and acquired by passing out students GGP CHARKHARI MAHOBA, on their placement in the industry for internship shall be immensely beneficial to them and the Mecatredz Technology Pvt. Ltd , Company will also benefit by getting technical and other help by way of innovative input that may be received from each student. Thus, it will be for the benefit of both, the students and Mecatredz Technology Pvt. Ltd.as well .Now therefore, both the parties hereby agree as follows –

Both parties have needs that can be addressed by establishing and efficient mechanism to promote collaboration between them in mutually beneficial manner.

The key needs of each segment are as follows:

Benefit to the students of GGP CHARKHARI MAHOBA

Getting hands on experience in real life work .

- Getting confidence and learning to apply what they have learnt in their studies .
- On completing the internship, the students shall be job ready thereby improving their chance for placement in larger organizations.

Benefit to the Organization-

- Improving Product designs and quality while reducing manufacturing cost of the products to make them globally competitive and acceptable .

Objective/Guidelines/Goals of MOU-

1. To provide young and innovative minds to improve the products quality and product cost.
 2. Increase the employability of students on completion of their education and internship.
 3. Visit of technical personnel's of industry to the institute to deliver lectures on recent technology.
 4. Visit of students of the GGP CHARKHARI MAHOBA to the for technical tour.
 5. Offer of four weeks internship to the students.
 6. Job opportunity to the interns.
 7. If a student joins a very large organization to do an internship , he must use the opportunity to learn about the activities performed in the various departments by doing short stints in each of them .This experience will help to provide him the big-picture in better understanding the career prospects in relation to his ambitions.
 8. Attitude and mindset play a great role in the learning process. Do tackle all tasks given with enthusiasm and positive attitude .
 9. Intern must be inquisitive and try to gain maximum knowledge and exposure
 10. The intern will maintain a regular internship schedule determined by the his/her project head.
 11. Intern shall view an internship as bridge between college and the workplace .Do use for their full advantage while undergoing internship :
- (a) The Intern must demonstrate honesty, punctuality and willingness to learn during the internship program.

(b) The Intern will obey the policies, rules and regulations of the company and comply with the company's business practices and procedures .

12. Each intern shall be assessed by faculty member .

13. A Feedback to be taken from students/intern and organization for further improvement in internship .
